

Conrad Weiser Area School District

SAT/PSAT Preparation Course

A course designed to prepare sophomores and juniors for the SAT and PSAT is being offered this summer at Conrad Weiser High School. The intent of this course is to offer practical and psychological preparation for the testing situation. No claims are being made as to guaranteed improvements of scores. However, regular attendance and active participation, in addition to completion of assigned work at home, will hopefully provide readiness for the testing process.

The course will offer six morning sessions from 8:30am to 11:30am and take place Mondays, Wednesdays, and Fridays. The exact dates are July 30th, August 1st, 3rd, 6th, 8th, and 10th. The cost for the class is \$150 that includes the textbook.

The instructor for the critical reading and writing sections of the test will be Mrs. Sheila Lentz. Mr. Arlan Dietrich will provide instruction for the mathematics section.

Participation is limited to the first forty paid registrants. The course will not run with fewer than twenty students. Registration forms must be received at the high school by Friday, June 1, 2007. Students may register by returning a completed registration form to the address listed below with a check made payable to Conrad Weiser Area School District.
