We have 2 high school students that have been selected to participate in the PMEA All-State Music Festival!

Aislin Given- alto 1- grade 10- chorus
 Ian Swartz- trombone- grade 12- wind ensemble
 These 2 students have worked tirelessly throughout the spring to achieve these milestones, having advanced from the district to region and finally all-state level!
 Please congratulate them when you see them! This is a huge deal for these students- the equivalent of winning the state championship in music.

Can Ellen and Ms. Price hold up against Natalia, Ellie, and Rachel? We aren't sure if the seniors have the experience to overcome the faculty's new dynamic duo. Come and see the Faculty v Senior Basketball game this Friday at 7 pm in the HS gym. Be there.

The biggest event of the year is around the corner! The faculty will be taking on the seniors in an intense game of basketball on March 4 at 7 pm. The faculty team has had some retirements and the squad is young and fresh. The seniors should be scared. Mark the date on your calendar so you don't miss this entertaining game!

The MiniThon and the Key Club are partnering up to do a dramatic fundraiser for Four Diamonds. This week only, we are seeking pairs of students who are willing to go "head to head" in a penny war. The coin jars will be set up at lunches every day next week. The winners will be announced at the Faculty Versus Seniors Basketball game. For each pair of students who participate, the student with the most money raised will get to shave the head of their losing partner at the end of the basketball game. If you are willing to risk a drastic haircut for an amazing cause, please see Mrs. Osman this week to get a permission slip. We'd love if students found their own partners and joined in the contest together, but we will pair people up as well if needed!
