The following students participated in a **Spanish Competition Day** on Tuesday at Cocalico High School. They did very well as they represented Conrad Weiser: Elli Miller, Val Schrum, Kara Frantz, Ryan Palumbo, Brian Harris, Kyara Jean-Louis, Gwen Sears and Victoria Gehman.

STUDENTS: Reading Area Community College is offering career training information sessions on multiple dates starting in June. Students can tour the facilities and learn more about RACC's short-term healthcare & business programs. Stop by the Counseling Office for complete details.

April 2022 has been designated the 37th annual national School Library Month - school libraries are a fun place for students to go. All students deserve a well-managed library to provide for free expression and access to ideas and the opportunity to read for pleasure.

If you are a Senior who is a South Heidelberg Resident and continuing your education at a 2 or 4 year school and have a B+ average, please see Mrs. Strausser in Counseling for a Scholarship Opportunity.

Attention all students attending the 2022 prom on May 13th! The menu for prom is posted outside of B104, if you have any dietary restrictions **you must let Mrs. Witman know by the end of the day on Friday April 29th.** If you fail to do so, a meal for you may not be able to be made the night of prom. The food will be served as a buffet. Thank you!

The class of 2023 will hold its election for class President starting this Wednesday. The link for voting will be posted on Schoology on Wednesday morning. Students will be able to vote once using their school email. Voting will run Wednesday through the end of 3rd block Friday.

In America, we are blessed with free education K-12. Not every nation in this world has that opportunity, and that's where *you* come in. The **Key Club, for 2 weeks only, will be selling Yuda Bands:** leather and coconut bracelets that were handmade in Guatemala. All proceeds from the sale of these bracelets will be going to sponsor the cost of sending two students overseas to high school. Look around the school later this week for posters containing photos and biographies of the students that we are sponsoring.

Each band will sell for \$10, and will be sold at lunch in the cafeteria as well as before and after school in room D110 from April 25 to May 9. We have only 1000 bands to sell, so supplies are limited. After May 9, any remaining bracelets are shipped back to the organization, so there will be no late sales.

Buy a Yuda band this year, and help the CW Key Club directly change the course of two people's lives. See Mrs. Osman in D110 for more information, and keep an eye on the announcements for some more info about the sponsored students, how the bracelets are made, and how the program works to send students to school worldwide.

It is time for the **13th annual Spring Art Exhibition.** Original works in any drawing media, painting media, mixed media, or photography can be delivered to Mrs. Alexander or Mrs. Moore in the Art Department no later than Friday, May 6. A maximum of 2 works may be entered by each applicant. Judging will take place on Friday, May 13 by the students and faculty during 3rd block in the art gallery. The first place winner will receive a \$50 cash prize along with having their artwork professionally framed and hung in our permanent gallery in the café. This opportunity is open to any student who wishes to exhibit their artwork. Thank you Renaissance committee for sponsoring this event.
