CLUBS & ACTIVITIES

The CW Science Research Institute (CW SRI) is now accepting registrations from Berks County students currently in grades 5-12 for the **2021 Summer Science Program** that will run Tues. July 6 to Thurs. July 29, 2021.

Students enrolling in the Conrad Weiser Science Research Institute (CW SRI) summer program will explore agricultural, genetic, environmental, biological, and related scientific disciplines. Students will have an opportunity to attend expert presentations from scientists, researchers, and industry leaders. Students will have access to a mentor, supplies, and equipment to prepare and conduct independent research during the summer and beyond.

Space in the program is limited. Get your registration in soon. See your science teacher for additional information and a registration form.

2021-2022

As we come to the close of this very strange school year, it is time to start looking ahead! Many students wanted the opportunity to start playing an instrument this year, and were delayed by circumstances outside of our control. Every child at Conrad Weiser Middle School is invited to enroll in our beginner band program! Rehearsals occur during the school day, with two evening performances throughout the year.

Please use **THIS ONLINE FORM** to sign your child up for Band!

<http://bit.ly/cwmsbegginerband>

The deadline for this form will be **WEDNESDAY, MAY 5th!** We will look through the instrument choice forms and notify you of your selection before the meeting on May 11th!

All communication will occur through email, so please use an email that you check regularly.

Enrollment for band for the 2021-2022 school year is happening NOW! Students will not be able to sign up at the beginning of next school year as a beginner, so don't wait!

A meeting reviewing the Loser's Rental and Repair program will occur in the MIDDLE SCHOOL auditorium on Tuesday, May 11 at 6:00pm. A virtual option will also be available.

Please see the attached flyer for more information.
