The CW Science Research Institute (CW SRI) is now accepting registrations from Berks County students currently in grades 5-12 for the **2021 Summer Science Program** that will run Tues. July 6 to Thurs. July 29, 2021.

Students enrolling in the Conrad Weiser Science Research Institute (CW SRI) summer program will explore agricultural, genetic, environmental, biological, and related scientific disciplines. Students will have an opportunity to attend expert presentations from scientists, researchers, and industry leaders. Students will have access to a mentor, supplies, and equipment to prepare and conduct independent research during the summer and beyond.

Space in the program is limited. Get your registration in soon. See your science teacher for additional information and a registration form.
