- If an athlete played a fall or winter sport, they will need to complete a Spring Recertification form. They are available in the high school office, middle school office, or on the Athletic page on the CW website. If any injury has occurred since the initial physical was done, a completed Section 8, signed by a physician, must be submitted.
- If an athlete completed a physical form and turned it in earlier this year for a spring sport, they should already be on a sports roster. They can stop in the high school office and check with Mrs. Bright.
- If an athlete did not play a fall or winter sport, did not complete a physical packet yet, and would like to play a spring sport, they should complete a full physical packet and turn it in to the high school or middle school office. Section 6 needs to be complete and signed by a physician.

All physical packets and recerts must be turned in to Mrs. Bright in the high school office by Monday, February 11.
