Instructions for Winter Sports

- If an athlete played a fall sport, they will need to complete a Winter Re-certification form. They are available in the high school, middle school, or on the Athletic page on the CW website. If any injury has occurred since the initial physical was done, a completed Section 8, signed by a physician, must be submitted.
- If an athlete completed a physical form and turned it in earlier this year for a winter sport, they should already be on a sports roster. They can stop in the high school office and check with Mrs. Bright.
- If an athlete did not play a fall sport and did not complete a physical packet yet and would like to play a winter sport, they should complete a full physical packet and turn it in to the high school or middle school office. Section 6 needs to be completed and signed by a physician.

All paperwork should be turned in to Mrs. Bright in the high school office by Friday, November 2
