Homework Help will meet in the library today from 2:50-3:50. Students attending Homework Help must commit to an hour of quiet working during which they can access computers, do homework or catch up on missed work. A teacher is available to assist. Anyone attending must have enough work for the hour, no one is allowed to leave before 3:50. Please have arrangements to be picked up by 4pm.

6 of our 8th grade students are participating in the Berks and Schuylkill Valley What's so Cool about Manufacturing contest. They been working for 5 months to complete a 2 minute and 30 second video about their manufacturer. They would very much appreciate it if you would vote for their video on <https://www.whatssocool.org/>. You can vote as many times as you would like and anytime you would like from February 27-March 1, 2019. Wish them luck!

Students will be taking part in The Leukemia & Lymphoma Society's (LLS), Pennies for Patients Program. During a three week period, students collect spare change to support LLS's mission; to cure many forms of cancer and to improve the quality of life for patients and their families.

Please turn in all donations for the Humane Society by February 28th. Donation boxes are available right outside of the main office.

In honor of Read Across America Week, we will be announcing a Dr. Seuss trivia question each day. If you know the answer, write it down along with your name and homeroom teacher and turn it in to the library. On Monday we will have a drawing from all of the correct responses to win a prize. You can enter once per day, so the more questions you answer, the more chances you have to win.
